**CLIENT'S NAME & ADDRESS:**

Tim Keane  
Director – Planning & Neighborhoods  
City of Charleston  
714 Azalea Street  
Mt. Pleasant, SC 29464  
(843) 709-2328

Hall Planning & Engineering, Inc. participated as a consultant for the City of Charleston in a charrette to provide transportation planning and conceptual design services relating to the master plan for the James Island Gathering Place. HPE critiqued street designs, parking, and traffic circulation issues for Charleston. HPE also assisted in the preparation of thoroughfare standards and other transportation related documents, and addressed ways transportation systems could be altered to enhance the walkability of the development.
